RECOGNIZING GREGORY P.  
SCHAFER

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. ADERHOLT. Mr. Speaker, I am honored to recognize Gregory P. Schaffer for his distinguished service to the Government of the United States as the Assistant Secretary for Cybersecurity and Communications, National Protection and Programs Directorate, Department of Homeland Security, from May 2009 until March 2012.

Mr. Schaffer is a national leader in the area of cybersecurity and communications. His unique perspective, dedication, and focus on identifying solutions to complex problems enabled the Department of Homeland Security and the Nation to take critical strides during his tenure.

Mr. Schaffer brought to DHS a blend of technical knowledge, private sector understanding, and Federal prosecution experience that enriched its cybersecurity and communications efforts.

Mr. Schaffer's leadership was essential in leading DHS efforts related to proposals for a Nationwide Public Safety Broadband Network. With the passage of recent legislation, Mr. Schaffer's concepts and structures have the potential to result in a paradigm shift in public safety communications.

During his tenure, DHS developed the National Cyber Incident Response Plan, NCIRP, the framework for incident response capabilities and coordination among Federal agencies, state and local governments, the private sector and international partners during significant cyber incidents. With the development of this plan, our Nation is postured to more effectively and comprehensively respond to the full range of cyber incidents.

As Chair of the Unified Coordination Group established by the NCIRP, Mr. Schaffer led

the United States Government response to a number of critical cyber incidents impacting the public and private sectors as well as international partners.

Under Mr. Schaffer's leadership and direction, DHS also opened the new National Cybersecurity and Communications Integration Center—a 24-hour, DHS-led coordinated watch and warning and mitigation center that enhanced capabilities to address threats and incidents affecting the Nation's critical information technology and cyber infrastructure.

This Center leverages the Einstein program, a set of perimeter defenses around the ".gov" domain designed to detect, alert, and prevent intrusions into and data loss from Federal agency networks. Because of Mr. Schaffer's leadership, Einstein 2—which provides signature-based intrusion detection technology—is currently deployed and operational at 17 of 19 Federal agencies.

Mr. Schaffer also oversaw effective and diverse incident response activities across his cybersecurity and communications portfolio. In FY 2011 alone, the United States Computer Emergency Readiness Team responded to more than 100,000 incident reports and released more than 5,000 actionable cybersecurity alerts and information products. The National Coordinating Center for Telecommunications and the National Communications System also led, in accordance with the National Response Framework's Emergency Support Function #2, communications response activities for the New England floods, Hurricane Irene, the 2011 Japanese Tsunami, the 2010 Haiti Earthquake, and other significant national and international disasters.

Furthermore, Mr. Schaffer led activities to expand information sharing with the private sector through the Cybersecurity Information Sharing and Collaboration Program. He also supported development of tools to help private sector companies assess and improve their own network security, such as the Cyber Security Evaluation Program, CSEP, and the Cyber Security Evaluation Tool, CSET.

We are grateful for his service during a consequential period at the Department, and I look forward to his continuing contributions to the security of our great Nation.

TRIBUTE TO LTJG THOMAS JOHN  
CAMERON, USCG

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. BONNER. Mr. Speaker, I rise to pay tribute to U.S. Coast Guard LTJG Thomas John Cameron, age 24, of Portland, Oregon and to honor his service to our country.

LTJG Cameron was one of four U.S. Coast Guard crewmen aboard an MH-65C Dolphin helicopter when it crashed into Mobile Bay on February 28, 2012, during an evening training mission. The accident claimed the lives of each of the crew.

A 2009 graduate of the U.S. Coast Guard Academy, LTJG Cameron was stationed at the Coast Guard's Aviation Training Center in Mobile, Alabama at the time of the accident.

According to the Mobile Press-Register, LTJG Cameron was only two days from completing flight certification at the time of the ac-

cident. After leaving Mobile, he was to have been assigned to USGC Station Borinquen at San Juan, Puerto Rico.

LTJG Cameron was known to his family, classmates and friends as a passionate athlete. He was an accomplished soccer player, serving as captain of his high school and college teams. Off the field, his passion also extended to helping others. His father, John Cameron, told the newspaper that his son's goal since 10th grade was to be involved in "lifesaving work."

It is not surprising to learn that LTJG Cameron and his fellow crewmen of CG-6535 each shared a love of service and a dedication to saving lives. The Coast Guard is a vital protector for our nation's coastal communities. We can never thank them enough for their commitment to our country.

Mobile is a Coast Guard city and we suffer the loss of LTJG Cameron as one of our own. We grieve with his family and we stand with them and the entire United States Coast Guard family.

To quote the words of the Coast Guard hymn,

Eternal Father, Lord of hosts,  
Watch o'er the men who guard our coasts.  
Protect them from the raging seas  
And give them light and life and peace.  
Grant them from Thy great throne above  
The shield and shelter of Thy love.

On behalf of the people of Alabama and a grateful nation, I offer condolences to LTJG Cameron's parents, John and Bette Cameron, as well as to his extended family and many friends. You are each in our thoughts and prayers.

RECOGNIZING THE ACCOMPLISH-  
MENTS OF LOIS WAGONER

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. BURTON of Indiana. Mr. Speaker, today I rise to acknowledge Lois Wagoner, a loving mother, dedicated civil servant, and a truly great Hoosier. This week, Lois is being honored for her 50 years of service to the Military and Veterans Regional Office in Indianapolis. Lois began her career as a clerk in 1961 at Fort Sill, Oklahoma and worked at various military installations prior to coming to the VA in 1971 as a program support clerk in the Finance Division of the Indianapolis Regional Office. In 1974, she was promoted to be a Veterans Benefits Counselor and supervised the regional office telephone unit. By 1990, she had become the Congressional Liaison and has worked tirelessly with every Congressional office in Indiana to ensure the welfare of our returning heroes.

During her 50 years of service, Lois has earned the reputation of being one of the most loyal, kind, and honest advocates of our Veterans living in Indiana. She also has the great distinction of being the mother of a Lieutenant Colonel with the U.S. Army in Afghanistan, so while she has been serving at the VA, she did so with the rare empathy of someone keenly aware of not only the sacrifices of our brave service members defending freedom abroad, but the daily concerns of their family members here at home.
